

General Data Protection Regulations (GDPR)

- The General Data Protection Regulations (GDPR) requires that any gathered personal data is authorised by the owner of the data, or adult representing the owner.
- This document concerns the collection of personal data for a participant in the Southern 50 Challenge.
- All data collected on this form will be held on a secure computer system for the purposes of the Southern 50 Challenge competition only.
- This sheet will be retained by the Scout Leader and he/she will enter the information into the Southern 50 on-line entry system.
- This information will be treated as confidential and will only be released to those identified by the organisers as specifically requiring it in order to ensure the Health, Safety and Welfare of competitors, and to manage the Southern 50 and any communications with team managers.
- The General Data Protection Regulations (GDPR) require each participant or adult representative, to agree to have their data stored in this way.
- The information will be securely deleted after the event.
